Sorrow in the morning and tear stained  
**G**  
pillows at night.  
**C2**  
Living life in the shadows and running from  
**G**  
the shame that you can't hide.

**Am7 Em7 Am7**  
When you hear the truth you just leave the  
**Em7 C2**  
room and say no one's walked a mile in my  
**Am7 Em7 Am7**  
shoes and you cling to a lie like it gives  
**Em7 Dsus C2**  
you life you need love, you need love.

**C2**  
You dream about the big house and all the  
**G**  
things you think will bring peace.

Searching to find come comfort freedom from  
**G**  
them shackles around your feet.
